

Community Services

FOR EVERY1

Health Home options for your family

How does your loved one qualify?

Adults or children must have 2 chronic conditions or 1 serious, persistent mental health condition and be eligible for Medicaid. Chronic conditions include, but are not limited to the following:

- Obesity
- Diabetes
- Asthma
- Chronic pain
- Hypertension
- Depression
- Chronic ear, nose and throat diagnoses

Contact us to see if your condition applies.

Why should you join?

As a member, you will have improved access to resources in your community, a support network and a “Care Team” who is dedicated to making sure you have everything your family needs to stay healthy.

- Assistance finding a primary doctor
- Assistance finding a specialist
- Referrals to community resources
- Guidance with department of social services issues
- Follow-up after hospital visits
- Free health education tools and resources

Referrals can be submitted to the **Community Services' Referrals Department** by calling **(716) 883-8002**.
