Domestic Violence and Victim Assistance Services

Director of Domestic Violence Services: Stephanie Saunders | 716-883-8002 ext. 476 | ssaunders@csevery1.com

Victim Assistance Program

The Victim Assistance Program provides support for individuals who have experienced any crime, specializing in serving those with disabilities affected by domestic violence. Assistance includes completing the Crime Victim Application to determine eligibility for crime-related compensation, short-term case management, safety planning, immediate post-crime support, and linkage to additional long-term support as needed.

Domestic Violence Program

The Domestic Violence Program provides survivors with intellectual disabilities with essential information, resource referrals, advocacy with law enforcement and the criminal justice system to ensure their voice is being heard, emergency counseling, survivor rights guidance, intensive case management, and continuous support to help survivors safely and permanently leave abusive relationships.

HOPE of WNY

HOPE of WNY is a collaboration between Community Services for Every1 and The Family Justice Center. HOPE improves access to domestic violence services and prevention education for individuals with intellectual and developmental disabilities. It also provides training to community partners to enhance their ability to support survivors with disabilities facing domestic violence.

Other Services

Assistive Technology

Assistive Technology are adaptive devices such as aids, controls, vehicle modifications, appliances, or supplies—either for communication or other adaptive purposes—that help individuals increase or maintain their ability to live independently and safely at home and in the community that we provide support with obtaining. To be eligible, an individual must be enrolled in the Home and Community-Based Services Waiver or CAH Waiver.

Contact: Joseph Genovese | 716-883-8888 ext. 116 | jgenovese@csevery1.com

Environmental Modifications

Environmental Modifications (E-Mods) are physical adaptations such as ramps, lifts, handrails, and bathroom modifications that increase or maintain an individual to live independently at home that we provide support with obtaining. We support obtaining these modifications, which can also address sensory needs (e.g., Braille signs, strobe light alarms) and safety for challenging behaviors (e.g., window protection, reinforced walls). To be eligible, an individual must be enrolled in the Home and Community Based Services Waiver or CAH Waiver.
